Home Visiting Program

Strengthening Community Connections at National Night Out

Every year, neighborhoods across the country come together for National Night Out, a community building event to enhance relationships between residents and law enforcement hosted by the City of Las Cruces. Thousands of residents walked up and down Main Street downtown lined with businesses and community resource booths. Our children services departments participated in sharing information about their programs, provided snacks and games for the kids to play. It was a fun event for the whole family and we were honored to be part in creating awareness, connections and a stronger community!

CELEBRATING 45 YEARS OF SUCCESS HELPING CHILDREN THRIVE AND GROW

TOTS Early Intervention program proudly celebrated their 45th Anniversary with a special community event that brought together past and present participants, supporters and partners. The celebration held at the Pat and Lou Sisbarro Park on Saturday September 21st was a remarkable success!

Throughout the day, over 100 guests enjoyed music, food and various activities. In reaching this milestone of 45 years participants had the chance to meet their own milestone of walking the .7 mile track around the park. During their walk there were over 30 partners stations to visit with to learn more about their programs and services. After each visit the partners would stamp the walkers "passport" which at the end was entered into a drawing for a Sisbarro VW Bug Powerwheel, Stroller set or a firepit just in time for the Fall weather. None of this would have been possible without the support of our community partners, donors, volunteers and staff! Thank you to everyone how has contributed to not only the success of this event but the last 45 years!

As we celebrate this milestone, we know there is more to do. The TOTS Early Intervention team members are filled with pride for what has been accomplished and optimistic for the future. Here's to the next 45 years of serving children ages birth to 3 in Doña Ana and Sierra Counties.

A night of fun and friendly competition at The Game Billiards

The Tresco team took a well-deserved break from the daily grind and came together for an evening of fun, food and games at The Game Billiards. Events like this remind us of the importance of connecting with colleagues beyond the office. We look forward to more opportunities to celebrate our hard-working team in the future!

Thank you Marci Dickerson and The Game Staff for your support and hospitality!

Rock the Block and IMPACT!

Tresco and Adams Radio hosted a ROCK THE BLOCK community event on September 4th. This event invited community members to learn more about our programs, job opportunities and a way to give back. We collected toys and non-perishable food donations to support the families we serve in Dona Ana and Sierra Counties. Donors received an appetizer coupon to The Game I and II or Broken Spoke Tavern for their support. Residents visited booths with program information, hands on activities and enjoyed delicious hamburgers. To top off the event all attendees had the chance to register with KGRT 103.9 for Jelly Roll concert tickets – congrats to Olivia O. who won the concert tickets!

TRESCO TITANS GOT MUDDY FOR A GREAT CAUSE!

Our Tresco Titans team had a muddy good time playing in the Big Brothers Big Sisters of Mountain Region 14th Mudd of Matches Tournament. It was a day of fun, friendly competition, little bit of mud and funds raised that will make a big impact on the children of Dona Ana and Grant County. There were 16 courts filled with water a foot deep for over 100 co-ed volleyball teams. Huge thank you to Sylvia Washington, Angelica Neikirk, Pablo Herrera, Mercedes Padilla, Christina Pointer, Robert Leonard, LaDarrien Polk, Jordan Bartlett, Jonathan Burton, Tony Samaniego and Stacie Allen for representing Tresco and having a good time while making an impact; even with your shoes duct taped on! Next year we will turn our 1-2 record around!

To learn more about this life changing mission visit: www.bbbsmountainregion.org

GRASSROOTS ADVOCACY CONFERENCE

This past September, Robert Reynolds, HELSTF Materials Coordinator and Stacie Allen, Community Engagement Manager, embarked on an important journey to Washington D.C. to attend the SourceAmerica Grassroots Self-Advocacy conference. This annual conference brings together employees with disabilities, their families and employers from across the country who are part of SourceAmerica's network of nonprofit agencies to advocate for rights and inclusion of people with disabilities in the workforce. This year there were over 60 self-advocates who shared their story with conference attendees and members of Congress on creating more accessible employment opportunities for people with differing abilities and support the AbilityOne program, which is the nation's largest providers of jobs for people who are blind or have significant disabilities.

Throughout the trip our Tresco Works team met with staff members from Senator Martin Heinrich, Senator Ben Ray Lujan, Representative Gabe Vasquez and Representative Melanie Stansbury's office. These meetings were focused on discussing critical issues facing the disability community, such as AbilityOne Contracting Goal and SSI Savings Penalty Elimination Act. In addition, Robert and Stacie were able to share the great work being done in New Mexico through the efforts of Tresco Works.

By bringing these voices to Capitol Hill, Tresco Works hopes to create lasting change that will improve the lives of people with disabilities in New Mexico and across the country. Tresco Works looks forward to continuing their partnership with legislators and other stakeholders to bring about meaningful change. Remember **YOU ARE SOMEBODY** and **YOU DO MAKE AN IMPACT!**

“ I am a retired Army Vet with PTSD and ten years ago Tresco gave me a chance, when no other company would. A chance to learn new skills and a chance to take care of my family. I love my job, I get to serve the military in another way and I have been recently promoted to Materials Coordinator.
-Robert Reynolds ”

A JOYOUS GRADUATION EVENT FOR OUR TOTS EARLY INTERVENTION AND DAY ONE HOME VISITING PROGRAMS

Our children's services departments hosted a recent milestone graduation event for the children in our services program this summer. This special occasion celebrated the remarkable journeys of our young graduates.

The event, held at Young Park, brought together families, staff, and special guests NMSU Women's Basketball team! Each child has overcome challenges, and their graduation marks a major step forward in their personal and educational development.

Our team provided fun activities, games and snacks for all who attended. The graduation ceremony was filled with joy, laughter, as we welcomed each child to walk across the stage and be recognized for their progress and growth. A HUGE thank you to the NSMU Women's Basketball team for making the graduation extra special with cheers and high-fives for each child as they walked up to receive their certificate.

We are immensely proud of our graduates and all they have accomplished. Cheers to the staff for their guidance and support to the children we serve – look where they are now! To our graduates, Congratulations! You have inspired us all, and we can't wait to see what you achieve next.

If you have a loved one or know of someone with a child birth to age 5 that could use support to reach their milestones please contact our one team members at (575) 527-4900 or visit www.TrescoInc.org

Taste of Las Cruces

The 15th Annual Taste of Las Cruces event was a yummy success! This is an annual tradition that brings local eateries together for one night in one location. Guests enjoyed visiting the various stations and voting on their favorite cuisine. Together the Rio Grande Rotary Club, Rotary Club of Las Cruces, Mesilla Valley Rotary Club and Casa De Peregrinos host this event to fight against hunger in Dona Ana County. The financial contributions raised allows Casa de Peregrinos, the largest food pantry in Southern New Mexico, continue to serve thousands of families each year!

Tresco was proud to support this great cause and cheer on our very own Director of Tresco Works, Analisa Martinez, who is also a Casa de Peregrinos Board Member, her family and their family restaurant Chope's Bar & Café as one of the celebrity stations. They served their delicious and red enchiladas.

To learn more about Casa de Peregrinos visit www.casadeperegrinos.org or call (575) 523-5542.

Tresco Wins ON and OFF the Field at the Annual Employee Picnic – TAILGATE STYLE!

It is an event that is looked forward to all year long – Tresco's Annual Company Picnic. This year it was hosted tailgate style at the NMSU vs. UNM Rivalry football game. Held on September 29th, our company tailgate brought employees, families and friends together for an afternoon of fun, food and football. The tent was filled with positive vibes, delicious BBQ and camaraderie.

It was great to see our tent decked out in crimson colors as employees showed their AGGIE pride. As game time drew closer, soon everyone headed to the stadium to cheer on the AGGIES. While the energy from the tailgate carried into the game, our AGGIES couldn't quite snatch the win, but that didn't stop our gathering from being a success! Thank you, to all the staff and their families that joined us, and a special thank you to the Tresco Events Committee for organizing the tailgate! We look forward to hosting events like this in the future and continuing to build our company culture inside and outside the workplace. WE ARE TRESKO!

Leadership Las Cruces Welcomes New Graduate!

Congratulations to our very own Robert Leonard, Tresco Works Las Cruces Federal Courthouse Project Manager, on graduating from the 2023-2024 Leadership Las Cruces program!

Leadership Las Cruces is a professional development program sponsored by the Greater Las Cruces Chamber of Commerce.

Robert has spent the last ten months becoming connected and equipped with a practical, in-depth understanding of major community issues, and developed a passion for solving them.

Tresco is invested in creating opportunities and partnerships for its team members to engage in the community and develop their skills!

Congratulations on this achievement and recognition of perfect program attendance - keep up the great work!

Tresco Summer Splish Splash

Our Tots children services team hosted a summer splish splash community event at the Vista Del Cerro park. Over 60 people enjoyed snacks, snow cones, jumping balloons, prizes and various activities. Some of the activities were a sensory bin, matching activities, and a ping pong water ball activities. Huge thank you our community partners Olive Tree, Enchantment HeadStart, Truth or Consequences Housing Authority, and Kona Ice for helping make this day a success!

VISIONARY WOMEN LEADING BOLDLY INTO THE FUTURE!

Tresco female leadership attended The Association Women's Group of Las Cruces Fall Keynote that showcased inspiring content from Leslie Cervantes, Coach Jody Adams and Dr. Sherry Kollmann. The full ballroom left with insights and valuable takeaways on aligning personal and professional goals to become an authentic leader. No matter what your age, your title, your season of life we all should continue to strive and grow; and this training allowed for each of our awesome team members to do that. Make an IMPACT! Create a CONNECTION! Continue to GROW!

CONGRATULATIONS

TO ANGELICA AND CRYSTAL ON THEIR ACCEPTANCE INTO THE LEADERSHIP LAS CRUCES PROGRAM

We are thrilled to announce that two of our outstanding team members, Angelica Neikirk HELSTF Project Manager, and Crystal Salazar TOTS Enrollment Coordinator Supervisor, have been accepted into the Greater Las Cruces Chamber of Commerce Leadership Las Cruces 2024-2025 cohort.

Leadership Las Cruces is a selective, 10-month program that brings together emerging leaders from various industries to develop their leadership skills and build networks. The program is specifically designed to educate participants about the history, culture, government, economy, social issues, needs and opportunities in our community.

Their participation in the program will help them gain insights and skills that will benefit them as a leaders and in turn strengthen Tresco's entire team. Make sure to congratulate Angelica and Crystal on this achievement!!

“

I am looking forward to the leadership program to learn and develop essential skills like communication, problem solving, and decision-making. I'm also looking forward to having the opportunity to network with other aspiring leaders, which can be incredibly valuable for my personal and professional growth.

- Crystal Salazar ”

“

I believe this program will offer a unique opportunity to gain a deeper understanding of local issues, develop critical leadership skills, and network with similar-minded individuals who are equally committed to making a positive impact. By participating, I hope to learn from experienced leaders, share my own experiences, and collaborate on initiatives that will enhance the quality of life for all residents in Las Cruces. Ultimately, I believe this experience will empower me to be a more effective leader and advocate for our community's future.

- Angelica Neikirk ”

TRESCO WORKS CREATING JOBS AND EXPANDING OPPORTUNITIES ACROSS NEW MEXICO

For decades, Tresco Works has been a driving force in New Mexico, providing meaningful employment opportunities and securing vital contracts that benefit communities throughout the state. With a focus on empowering individuals with disabilities and supporting inclusive employment, Tresco Works continues to grow its impact, helping create jobs, drive economic growth, and deliver essential services through a wide range of contracts.

Tresco Works supports job creation through the acquisition of state, federal and commercial contracts. These contracts enable Tresco to offer a wide variety of services—ranging from custodial work, grounds, total facility maintenance, and more—while employing hundreds of individuals statewide.

“A core part of our mission is to create inclusive employment opportunities for people of all abilities,” says Greg Block, Director of Business Development at Tresco. “We believe that everyone deserves a chance to contribute to their community and build a meaningful career, and we are proud of the role we play in making that possible across New Mexico.”

Below is list of state agencies, local government and businesses that Tresco Works partners with to ensure that Veterans, students and individuals with differing abilities have access to fulfilling, stable employment that empowers them to achieve independence and success. Tresco Works will continue to shape the future of employment in New Mexico - one job, one contract and one success story at a time!
